Outdoor GeoLux 13W 4000K 620lm IP65

The Integral LED Outdoor range offers style and substance, with contemporary designs and hardwearing, weatherproof aluminium construction. This range of modern luminaires creates the perfect accent lighting for exterior walls in residential and commercial environments with all the low-energy and long-life benefits of LED.

The Geolux is an attractive elliptical wall light with a polycarbonate diffuser that gives a gentle wash of light to your wall. The dark grey, powder coated finish is both beautiful and rugged.
